EMPLOYER DATA BREACH

9 steps you MUST take following a data breach:

1. Determine the info your employer allowed to be exposed;
2. Enroll in credit & identity monitoring services and obtain identity theft insurance;
3. Obtain your no-cost credit report @ annualcreditreport.com;
4. Consider placing a free security freeze and/or fraud alerts on credit reports;
5. Consider filing your taxes early, to beat the prospective scammers;
6. Change your online passwords & security Q&As;
7. Review all account statements for suspicious or unknown activity;
8. File a report with law enforcement, your state AG, and the FTC; and most important...

9. Contact Astanehe Law for your FREE consult to discuss taking legal action!
